

# No more messy POS put ups!!

## Use Miracle-Sticks®

- ✓ Leaves no glue residue
- ✓ Neat, clean application & removal
- ✓ Adheres to metal, glass, tile & plastic
- ✓ Suitable across varying temperature environments
- ✓ Saves time - fast and easy to apply
- ✓ Suitable throughout the store environment, eg. on displays, store front, inside upright fridges, deli, butchery, bakery and perishables
- ✓ Used across various branding and signage applications ie. pricing, securing shelf defenders, PI strips to shelf fronts and product information holders to counters
- ✓ Cost effective, controllable cost
- ✓ Eco friendly - made from bio degradable corn based materials
- ✓ 500 sticks per roll in an easy dispensing box

### How to apply

- ✓ Simply detach the Miracle-Sticks® from the perforated roll.
- ✓ Peel off the tab liners.
- ✓ Attach the Miracle-Stick® horizontally to your sign.
- ✓ Apply the sign to a window, shelf or your fixture.

Attach Miracle-Stick® horizontally

Apply sign to window, shelf or fixture
